

# CERTIFICATE OF ANALYSIS

Date: 05-08-2026

|                                |                                                                                           |               |              |
|--------------------------------|-------------------------------------------------------------------------------------------|---------------|--------------|
| Product Name                   | Paroxetine Hemihydrate EP Impurity C                                                      |               |              |
| Chemical Name                  | (3S,4R)-3-[[[(1,3-benzodioxol-5-yl)oxy]methyl]-4-(4-ethoxyphenyl)piperidine hydrochloride |               |              |
| Structure                      |          |               |              |
| Batch No.                      | -                                                                                         | CAS No.       | 1395408-54-4 |
| Analysis Date                  | -                                                                                         | Retest Date   | 2            |
| Mol. Formula                   | C <sub>21</sub> H <sub>25</sub> NO <sub>4</sub> : HCl                                     | Molecular Wt. | 355.4 : 36.5 |
| Long term Storage Condition    | Store at 2-8 °C in well closed container                                                  |               |              |
| Handling and Transit Condition | 25-30 °C in well closed container                                                         |               |              |

| Test                   | Result                |
|------------------------|-----------------------|
| Appearance             | -                     |
| Solubility             | -                     |
| <sup>1</sup> H-NMR     | Conforms to structure |
| MASS                   | Conforms to structure |
| Chromatographic Purity | >90%                  |
