

## CERTIFICATE OF ANALYSIS

Date: 20-03-2026

|                                       |                                                                                               |                      |             |
|---------------------------------------|-----------------------------------------------------------------------------------------------|----------------------|-------------|
| <b>Product Name</b>                   | <b>Selexipag Acid</b>                                                                         |                      |             |
| <b>Chemical Name</b>                  | 2-{4-[(5,6-Diphenylpyrazin-2-yl)(propan-2-yl)amino]butoxy}acetic acid;<br>ACT-333679; MRE-269 |                      |             |
| <b>Structure</b>                      |              |                      |             |
| <b>Batch No.</b>                      | -                                                                                             | <b>CAS No.</b>       | 475085-57-5 |
| <b>Analysis Date</b>                  | -                                                                                             | <b>Retest Date</b>   | -           |
| <b>Mol. Formula</b>                   | C <sub>25</sub> H <sub>29</sub> N <sub>3</sub> O <sub>3</sub>                                 | <b>Molecular Wt.</b> | 419.5       |
| <b>Long term Storage Condition</b>    | Store at 2-8 °C in well closed container                                                      |                      |             |
| <b>Handling and Transit Condition</b> | 25-30 °C in well closed container                                                             |                      |             |

| Test                   | Result                |
|------------------------|-----------------------|
| Appearance             | -                     |
| Solubility             | -                     |
| <sup>1</sup> H-NMR     | Conforms to structure |
| MASS                   | Conforms to structure |
| Chromatographic Purity | >90%                  |
